The above-identified prior application is hereby expressly abandoned as of the filing date of this new application. Please use the Serial Number and all the contents of the prior application file wrapper, including the drawings, as the basic papers for the new application.

Applicant is filing separately a Preliminary Amendment which adds claims 25-34. Claims 22-24 from the prior application are still pending.

Applicant is also filing this date under separate cover a Request For Two-Month Extension of Time to file an appeal brief in the prior application.

The inventor(s) named in this continued prosecution application are as follows:

**Steven J. Iseberg
Donald L. Wilson**

The inventor(s) named immediately above are exactly the same inventor(s) presently of record in the above-identified prior application, so no action respecting inventorship is needed.

The filing fee due for this application is affected because:

The small entity fee schedule applies. A verified statement that this is a filing by a small entity was filed in application Serial No. 07/880,244 on July 25, 1994. This status is still proper, and its benefit under 37 CFR 1.28(a) is hereby claimed.

New Claims 25-34 submitted in a preliminary amendment being filed separately should be added before calculating the extra claims fee.

The filing fees are calculated as follows for a small entity:

Small Entity Fees

	Claims presented	Extra claims	Rate per extra claim		
Total claims	10	-20	=	0	x \$11 \$00.00
Indep. claims	5	- 3	=	2	x \$41 \$ 82.00
Basic fee					395.00
Total application fee					\$477.00

The following arrangements are being made to pay the government fees due.

The Commissioner is hereby authorized to charge the filing and extra claim fees which are presently required to Deposit Account No. 13-0017.

The ownership of the application is as follows:

The prior application is assigned to Etymotic Research, Inc. and the original assignment has been recorded in the Patent and Trademark Office at Reel 7500, Frame 0164.

The undersigned attorney is authorized to represent the applicants and receive correspondence because:
